Date for concluding the work of the Committee, order and approximate dates of consideration of items

4. Rule 99 (b) of the rules of procedure of the General Assembly provides that:

> Each Main Committee, taking into account the closing date for the session fixed by the General Assembly on the recommendation of the General Committee, shall adopt its own priorities and meet as may be necessary to complete the consideration of the items referred to it. It shall at the beginning of the session adopt a programme of work indicating, if possible, a target date for the conclusion of its work, the approximate dates of consideration of items and the number of meetings to be allocated to each item.

5. Pursuant to General Assembly resolution 58/316, on further measures for the revitalization of the work of the General Assembly, upon the recommendation of the Sixth Committee, the Assembly, at its 68th plenary meeting, on 10 December 2014, adopted decision 69/529 containing the provisional programme of work of the Sixth Committee for the seventieth session of the Assembly. The Bureau of the Sixth Committee has considered the provisional programme of work in the light of the allocation of new items to the Committee by the Assembly.

6. The General Assembly, at its 2nd plenary meeting, on 18 September 2015, upon the recommendation of the General Committee (A/70/250, para. 16), fixed the target date of 20 November 2015 for the completion of the work of the Sixth Committee, which has also been taken into consideration in the preparation of the following work programme:

Establishment of working groups and holding of consultations

7. Regarding agenda item 86, entitled "The scope and application of the principle of universal jurisdiction", the General Assembly, by its resolution 69/124, decided that the Sixth Committee should continue its consideration of the item, without prejudice to the consideration of the topic and related issues in other forums of the United Nations, and for that purpose decided to establish, at its seventieth session, a working group of the Sixth Committee to continue to undertake a thorough discussion of the scope and application of universal jurisdiction. In that regard, three meetings, on 21, 23 and 29 October, have been suggested for that purpose.

8. Concerning agenda item 108, entitled "Measures to eliminate international terrorism", the General Assembly, by its resolution 69/127, decided, taking into account the recommendation of the Working Group of the Sixth Committee that more time was required to achieve substantive progress on the outstanding issues, to recommend that the Sixth Committee, at the seventieth session of the Assembly, establish a working group with a view to finalizing the process on the draft comprehensive convention on international terrorism as well as discussions on the item included in its agenda by Assembly resolution 54/110 concerning the question of convening a high-level conference under the auspices of the United Nations. In

that light, three meetings, on 26 and 30 October and 9 November, have been suggested for that purpose.

9. Concerning agenda item 80, entitled "Criminal accountability of United Nations officials and experts on mission", the General Assembly, by its resolution 69/114, reiterated its decision that the consideration of the report of the Group of Legal Experts, in particular its legal aspects, should be continued during its seventieth session in the framework of a working group of the Sixth Committee, and, for that purpose, invited further comments from Member States on that report, including on the question of future action. In that light, two meetings, on 16 and 28 October, have been suggested for that purpose.

10. In view of the limited conference services available to the Sixth Committee (see para. 13 below), any meetings for the working groups or for informal consultations will have to be accommodated within the overall meetings allocated to the Committee.

Deadline for the submission of draft resolutions with financial implications

11. According to rule 153 of the rules of procedure of the General Assembly, "no resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General". It is therefore imperative that the Sixth Committee allow sufficient time for the preparation of estimates of expenditure by the Secretariat and for their consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee. Since 20 November has been fixed as the concluding date for the work of the Sixth Committee (see para. 6 above), 6 November would have to be considered the mandatory deadline for submission to the Fifth Committee of draft resolutions with financial implications, except for draft resolutions concerning items to be considered after that date. When submitting such proposals, delegations may also wish to bear in mind that, in most cases, a period of more than 48 hours is required for the Secretary-General to review the programme budget implications of proposals.

Conference resources available

12. The available conference facilities will, in principle, enable the Committee to hold no more than 10 plenary meetings per week. Morning meetings will be held from 10 a.m. to 1 p.m. and afternoon meetings from 3 p.m. to 6 p.m.

13. In order to avoid difficulties in the organization of services for the meetings of regional groups of the Committee, it is suggested that all requests for such meetings be channelled to the Meetings Management Section of the Department for General Assembly and Conference Management through the Secretary of the Committee.
